---

<u>Body Language</u>	<u>What it communicates</u>
1. Look at your watch or the clock	I don't have time for you
2. Look a person in the eye	Interest, concern
3. Frowning	Disapproval
4. Napping	Disinterest
5. Leaning slightly forward towards the speaker	Interest, desire to hear more
6. A body touch (i.e. on the shoulder)	I understand, I'm with you
7. Cover, then rub eye	I refuse to accept something you just said
8. Look away or down	I'm out of touch, I'm not listening
9. Narrowing of the eyelids	Suspicion about what you said
10. Doing something other than listening (i.e. playing with a calculator, tapping a pencil)	I'm uninterested
